

IN THE DRAWINGS

Please replace Figure 17 with the enclosed Replacement Sheet. No new matter has been added.

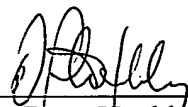

Remarks

The Applicant respectfully requests the Examiner to replace Figure 17 with the enclosed Replacement Sheet being submitted herewith. No new matter has been added. New Figure 17 clearly shows that the arm is spaced from the static part of the frame and that the pins extend from mounts 22 and 24. The previous Figure 17 did not clearly show these slight aspects of the invention. Support for these changes can be found on page 6, line 20, and on page 8, lines 9-11 and in Figure 16.

Respectfully submitted,
